

ERASMUS PROGRAM

Introduction into the mineralogy and petrography of ancient ceramics (archaeoceramics)

Univ. Prof. Dr. Corina Ionescu

Chair of Mineralogy

“Babes-Bolyai” University of Cluj-Napoca, Romania

Universitatea “Babes-Bolyai” Cluj-Napoca. Catedra de Mineralogie. No reproduction, copy or transmission of this file or part of this file may be made without permission of the author. The file is only for internal use in the Chair of Mineralogy, Babes-Bolyai University of Cluj-Napoca, Romania and students of the Erasmus project IP “Materials and building patrimony: stone, glass, ceramic and concrete. Durability and conservation”. January 2008, 2009, 2010, Paris Marne-la-Vallee University
